

CONTINUING EDUCATION CREDIT (CEC) CHEAT SHEET

NACCR

2026

July 12–16
Milwaukee, WI, USA

*Conservation and Restoration
for People and Nature*

NOTE: NACCR 2026 has been preapproved for continuing education credits (CECs) from the Society for Ecological Restoration (SER). There is a 10-credit cap on CECs that may be earned for this event per SER policy.

Society for Ecological Restoration (SER)

To receive preapproved credits, **attendees must self-report online at the Society for Ecological Restoration CEC Submission Form with a copy of their event registration receipt:**

<https://ser.submittable.com/submit/68321/cec-submission-form-for-current-cerps-and-cerpits>

International Society of Arboriculture (ISA)

If attendees want credit for sessions and field trips, they will need to Complete the ISA Continuing Education Unit (CEU) Post-Approval Request Form at <https://www.isa-arbor.com/Credentials/Maintaining-Credentials/Post-Approved-CEUs> and submit requests for self-reported CEUs via the portal.

Society of American Foresters (SAF)

Attendees will need to complete the Continuing Forestry Education Post Approval Form at <https://www.eforester.org/Main/Certification/Individuals.aspx?WebsiteKey=0605da36-47de-48f7-b626-a9e9d693e2ad> and submit via their online account.

A **Meeting Passport** will also be provided for your convenience to track attendance at the various in-person sessions and field trips for submittal to the organization of your choosing for post approval of CECs. Please direct questions about CECs to Martha Holzheuer at naturenichemi@gmail.com or text 989-277-3311.

MEETING PASSPORT

NACCR

2026 July 12-16
Milwaukee, WI, USA

*Conservation and Restoration
for People and Nature*

This form is provided for your convenience to track attendance at the various sessions, symposia, and field trips for submittal to the organization of your choosing for approval of continuing education credits. Please have the room/field moderator or presenter initial your passport at the end of each session, if proof of attendance is required by your organization of interest. We cannot guarantee that all organizations will grant continuing education credits. Please check with your licensing board or certification governing body for more information. Individuals seeking pre-approved continuing education credits from the Society for Ecological Restoration should self-report online at ser.submittable.com/submit/68321/cec-submission-form-for-current-cerps-and-cerpits.
